almo nature
pet food + amore

Almo Nature believes in a balanced diet for your cat and recommends alternating between meat and fish flavours to keep your cats' interest as well as providing with a complete dry food kibble.

Cats up to 4 kg: 110 g wet food + 35 g dry food

The amount of food given should be appropriate to the weight and activity levels of your cat.

Please make sure that your cat always has plenty of fresh drinking water.
