Almo Nature Rouge Label Cat Food is a highly tasty supplementary food for cats. It uses the pure human grade ingredients but with added natural vitamins and minerals to give you cat a healthy diet.

Rouge Label Key Benefits

- Freshly caught fish from the sea – no farmed fish
- Real meat from free-range farms – no hormones or antibiotics are used in rearing
- In order to preserve the valuable nutrients, the meat is prepared and gently cooked, using purely mechanical means, without chemical processes.
- Preserved in its own stock to retain all the nutrients and the great taste.
- No chemical additives or colouring
- Enriched with valuable NATURAL vitamins and minerals to ensure a healthy diet
- Complete food for cats

Almo Nature believes in a balanced diet for your cat and recommends alternating between meat and fish flavours to keep your cats' interest as well as providing with a complete dry food kibble.

Cats up to 4 kg: 110 g wet food + 35 g dry food

The amount of food given should be appropriate to the weight and activity levels of your cat.

Please make sure that your cat always has plenty of fresh drinking water.
